Party Itinerary: We invite your child and friends (young gentlemen, dancing divas, tumblers, and ballerina princesses welcome!) to the enchanting world of dance in celebration of his/her birthday. The party begins with making a craft to take home. Then it is time for dance class! After dancing, it is time to open presents and enjoy cake and refreshments (provided by host) in our party room! At the end of our time together, the little ones will perform a dance for all of the parents and grown-ups. It will be a blast! All students will receive a gift bag, and the Birthday Boy or Girl will receive a special gift (please allow 2-3 weeks for delivery).

This party is perfect for children ages 4 – 10. Children are able to participate in the dance lesson no matter what their dance background.

Proper Attire: Leotards and tights, leggings and t-shirt, with ballet slippers, socks, or bare feet are best.

Decorations: Thirty minutes prior to and after the party is the maximum time allowed for setting up and taking down decorations. Thank you for your cooperation.

Hold Harmless Agreement: All persons booking a party that have not already signed a Hold Harmless Agreement for their child, must do so before the party.
