## Message from the Director

As we enter the final stretch of our season, I just want to take a moment to say thank you. Thank you for trusting us with your children, supporting our programs, volunteering, cheering from the audience, and helping make this season so special. Watching our students grow in confidence, discipline, and performance has been such a joy, and we are incredibly grateful for another amazing year together at Motor City Dance Factory and Motor City Flip Factory. I am looking forward to many more. Please get some much needed rest after we finish this final push! We hope to see you this summer in classes, summer camp, and of course at our 25<sup>th</sup> Anniversary Gala Fundraiser! We have some exciting news coming that we can't wait to share with you.

With Love and Gratitude,

♥ Ms. Camille

## Student Spotlight

**Cedrick Young – Class of '26**

As we finish our celebration of our graduating seniors, we would like to recognize an incredible young man who has been such a special part of the Motor City Dance Factory family, Cedrick Young.

Cedrick is graduating from Oak Park High School, where he has been actively involved in the school band and hip hop dance at MCDF. He is also a proud member of Gamma Psi Nu Fraternity Incorporated.

Recently, Cedrick was offered a scholarship to attend Simmons College in Kentucky. While he is still deciding what his next steps will look like, he plans to take some time to work, experience life, and continue discovering the path that feels right for him. We are so happy Cedrick has continued to dance throughout his high school years, and we can't wait to see what's next!
