Message from the Director

I want to express my sincere gratitude to all the parents for actively participating in our community events, most recently our Trunk or Treat. Your involvement and the fun you bring are deeply appreciated. Special shout-out to Ms. Tyra for organizing the event and congratulations to Ms. Keasa and Halley for being our outstanding Trunk or Treat winners!

Student Spotlight

**Shining Star Cori Edwards
Class of 2025**

As a high school senior, Cori stands on the brink of a new and exciting chapter in her life. She has been with MCDP for more than 10 years as a dancer and gymnast. Over this time, she has experienced significant growth as an artist and an individual. We are extremely proud of her accomplishments. This year, Cori is serving as the team liaison for Renaissance High School's Dance Workshop and competing with the Motor City Dance Factory Pre-Pro Competitive team. Looking ahead, she plans to pursue a Bachelor of Science on the pre-pharmacy track, followed by obtaining a PharmD degree to become a licensed Nuclear Pharmacist. Furthermore, throughout her college journey, Cori will continue to dance, as it has played a significant role in shaping who she is.

What advice would you give your younger self?

Pursue excellence in every aspect of life. In the words of my grandfather, "If you're going to do it, do it right." Also the words remember the wisdom my mother shares: "Everything you need is already inside of you."
